Amphitheater Facility Description

The Wallace-Dutra Amphitheater is an outdoor multilevel grass venue with 60’ x 40’ concrete stage at the base of the venue with Little Lake as a backdrop. Paved seating options in front and above the stage provide availability for wheelchair access in the venue. Upper level grass seating makes this venue perfect for outdoor acoustic concerts on the green, poetry readings, movie nights, or open-air dance performances.

Reservations for use of the Wallace-Dutra Amphitheater must be made online through the Office of Student Life (OSL). OSL is responsible for approval of Amphitheater events.

Amphitheater space is available for informal use when not reserved for events. Check the OSL Amphitheater calendar for availability.
