MAKE YOUR MARK - IT'S YOUR MOVE!
Dear Bobcats,

Welcome to the 2016-17 academic year! I am excited to welcome back our continuing students and to welcome the new undergraduate and graduate students who have joined our growing campus community.

Welcome Week celebrates the start of the new school year and is designed to help make our new students’ transition to college life at UC Merced as smooth as possible. Your first few weeks here will set the tone for the rest of the academic year, so make the most of them by attending the Welcome Week activities we have planned for you.

The scheduled events are intended to help familiarize you with the campus and acquaint you with available resources and opportunities. I encourage you to participate in as many activities as possible. Returning students are also encouraged to attend Welcome Week to meet some new Bobcat friends and explore new possibilities.

We hope that you begin to expand your horizons to include new friends, experiences and ideas. You might even discover new things about yourself, including your new abilities and interests. As part of the University of California system — widely regarded as the premier public research university in the world — you have access to faculty members who are experts in their fields. You will experience novel approaches to learning and problem solving, and we encourage you to embrace our campus’s spirit of innovation.

Also, be sure to invite your family to attend Family Weekend October 21 through 23. They are an important part of our extended family.

I look forward to what promises to be an exciting new academic year. Please don’t hesitate to approach any of our friendly and knowledgeable faculty and staff members for assistance. We are deeply committed to helping you succeed.

Fiat Lux,

Dorothy Leland
Chancellor
Dear Bobcats,

Welcome!

As you know, the University of California is known internationally for its three pillars of excellence in research, teaching and public service. At UC Merced, the focus for students isn’t on surviving; it’s on embracing these pillars as cornerstones of a successful collegiate career.

Ultimately, college success is more about taking advantage of all the opportunities available and moving beyond survival. It is about learning to thrive.

We hope that you will take advantage of the Welcome Week activities as part of the opportunities available to you. Our theme this year is “Make Your Mark … It’s Your Move!” There are many services, departments, programs, resources, and faculty and staff members at UC Merced to help support your smooth transition and successful completion of your degree.

If you are a new student, participate in as many activities as your schedule allows. These activities are designed to help you start your college career with the right tools. If you are a returning student, re-connect with old friends and try something new. Whether the something new is learning about research opportunities, exploring study abroad programs, or connecting with the Merced community, new opportunities expand your educational experience.

Our hope is that you will challenge yourself to step out of your comfort zone. That action alone is the first step in your journey to not only surviving your college experience but thriving beyond your expectations.

I look forward to hearing from you throughout the year on all you have accomplished, learned, and discovered.

Best wishes for 2016-2017!

Go Bobcats,

Charles Nies, Ph.D.
Vice Chancellor for Student Affairs

FAMILY WEEKEND: OCTOBER 21-23, 2016

The University of California, Merced, invites you to attend Family Weekend 2016, a campus-wide celebration in honor of parents, grandparents, and all extended family. We encourage you to take part in this unique weekend experience which will provide your family the opportunity to explore the university and everything it has to offer.

Family Weekend is a great opportunity for families to return to campus to visit with students, learn more about campus programs and services, tour university facilities, explore the Merced community and have fun!

Additional details about Family Weekend will be posted on the Office of Student Life website (studentlife@ucmerced.edu) in August. A Family Weekend mailer, which includes program details and registration information, will be sent to parents in late August using the students’ permanent address on file with the university.

Welcome UC Merced Fellow Bobcat!

Based on university-wide faculty recommendations and curricular considerations, the Core 1 Organizing Committee, in conjunction with the Office of Undergraduate Education, has selected second edition of Sandra Steingraber's Living Downstream: An Ecologist’s Personal Investigation of Cancer and the Environment—a contemporary classic of critical autobiography in the environmental and health sciences—which has been selected for UC Merced’s 2016-2017 Common Reading Project. Our goal with a common reading is to establish a greater sense of community among students and faculty by fostering open inquiry characteristic of academic life. In support of UC Merced’s commitment to interdisciplinary study, the common reading experience allows students and faculty to make connections across a wide range of experience and expertise. By looking at the same text through different lenses—historical, cultural, scientific, personal, etc.—we can see how different disciplines approach prevailing social issues. This year’s book was selected for its compelling, unwavering focus on intersections between environmental and human health.

Sandra Steingraber is an internationally recognized science writer and poet whose efforts as a biologist, activist, and author have shaped public discussion of environmental health for the past two decades. Her work is renowned for its characteristic blend of personal experience (of living with cancer), lucid vision (of the literary experience of place), and unflinching analysis (of cancer’s environmental underpinnings in ecosystemic pollution). A worthy companion piece to Rachel Carson’s landmark 1962 book Silent Spring, Living Downstream is as much a cautionary tale about unintended consequences of technological innovation as it is an invaluable cataloging of air-, water- and soil-borne chemicals that have extensively altered the American landscape. Steingraber is a regular contributor to a host of national news outlets, a recipient of numerous awards, and frequent consultant for national and international environmental policy. She is currently a Distinguished Scholar in Residence at Ithaca College in Ithaca, NY, where her work has informed local debates about carcinogenic legacies of hydraulic fracturing (i.e., fracking). See her website, www.steingraber.com, for more information.

You received this book during orientation with the understanding that you made your way through it before arriving on campus for Fall semester. We will integrate discussions of the book into our curriculum; in whole or part, it is required reading in general education and writing courses (CORE 1, Writing 1, Writing 10), and recommended reading in other first-year classes.

In addition to serving as course material, the book will host special events, including symposia, guest lectures, and film screenings.

We hope that you find your own ways to connect the common reading with your coursework and with your community. But most of all, we hope you enjoy reading Living Downstream.

Welcome to UC Merced!
Hello Bobcats!

We hope that you enjoyed your summer and are ready for an exciting new year — the twelfth for UC Merced! This coming year will continue to be challenging, interesting, but most importantly — a lot of fun! The first weeks of school are going to be filled with many activities and events, and we want to make sure you know about everything that’s going on around campus. This Welcome Week booklet is packed with many activities you won’t want to miss! We hope that you will take advantage of all UC Merced has to offer. Take the time to get involved, meet faculty and staff and make new friends.

Sincerely,
Welcome Week 2016 Planning & Steering Committee

WELCOME WEEK GOALS AND OBJECTIVES

The main goals of Welcome Week are to provide students with new opportunities when they arrive on campus, and to help them navigate the educational system. Most importantly, we hope to ensure that students start their academic journey off on the right path.

- Create a welcoming atmosphere that incorporates and integrates incoming and continuing undergraduate and graduate students.
- Facilitate opportunities that promote relationship building amongst students, staff, faculty and scholars.
- Help students to develop practices that encourage reflection, healthy and informed decision-making processes as they enter a new chapter in their educational journey.
- Introduce students to the UC Merced and Merced area communities in hopes they immerse themselves into the UC Merced and local culture.
- To encourage connections to the campus that promote retention and morale.
- Promote a holistic lifestyle of wellness for students in all aspects of their lives.
- Introduce students to campus resources and opportunities.
- Provide students, faculty, staff and scholars with a positive opportunity to connect with local businesses and community partners.

WELCOME WEEK GUIDING PRINCIPLES

ACCESSIBILITY:
New students have the opportunity to join the community with all the rights and responsibilities of those already here. Students are given the same support, assistance and resources.

HEALTHY COMMUNITY:
Students are encouraged to participate in the events of Welcome Week. However, they are always encouraged to participate in health, wellness and recreational activities as well as any other events on campus that will promote health and emotional well-being.

OPEN-MINDED:
Students come from different backgrounds and cultures, and they have highly varied interests and values. Differences in gender, race, abilities, ethnic or national origin, sexual orientation and religion are recognized and treated with respect and sensitivity.

INTELLECTUAL GROWTH:
The ultimate reason for students being here is to obtain an education. Students are encouraged to take advantage of scholarly activities and engage within their schools.

RESPONSIBILITY:
Students are expected to be responsible academically and socially. Choices that are made affect everyone within the community.

Sustainable Bobcats
6:00 PM - 7:00 PM
Alpine Room

During the Welcome Week event, we would begin the session by introducing the EcoReps, explain the program, goals and overall mission of the EcoReps. Following, a presentation on sustainable practices on and off campus will be shared and discussed further with the students. This will allow for dialogue and also remind Bobcats of living sustainably. Also, during the presentation we would mention sustainability related organizations, such as, UCM Recycling, Earth Club, Sustainability Student Council and other related organizations and clubs at UC Merced, to increase awareness of such and promote involvement. Contact will be provided to refer students to correct person. With this we hope to create a sense of participation and commitment to UC Merced 2020 goals. Concluding the presentational and educational portion of the event, there will be 10 minutes for questions.
We will then proceed to play a sustainability game that will be both fun and educational to keep students engaged. The objectives of the entire event are to promote sustainable living amongst students. We hope that they will gain a greater understanding of clubs and organizations that promote a positive change at UC Merced and will be inspired to join and contribute to the school. Along with promoting behavior change in housing areas of UC Merced.

You’ve moved to UC Merced, now what?! Join SSHA Peer Mentors to develop strategies in helping you transition from high school to college. Let us guide you to a successful first year!

**Whose Flag is it Anyway?**

11:30 AM - 2:30 PM
Scholar’s Lane

Lambda Alliance invites Bobcats to play “Whose Flag is it Anyway?” All are encouraged to participate in a game where they will match a sexual, gender, or romantic identity with its corresponding pride flag. This will be a chance for all to learn about the various sexual, gender, and romantic identities within the LGBTQ+ and Ally community - as well as win some prizes! So come on by and meet Lambda Alliance, UC Merced’s LGBTQ+ and Ally club!
VIP Program — Bad Ads
11:00 AM - 12:00 PM
COB 110

What is rape culture? Come learn how advertisements contribute to rape culture and what we can do to change our culture through cautious consuming – not only of products, but of our media as well. Let it be known that you’re #NotBuyingIt!

VIP Program — Project Rewind
12:30 PM - 1:30 PM
COB 110

Ever wish you could reverse time and do something differently? Here’s your chance! Learn how to safely step in and speak up against sexual violence, domestic violence, and stalking.

LGBTQ+ Mix n’ Mingle
1:00 PM - 3:00 PM
Elizabeth’s Garden

The UC LGBTQ+ Advisory Committee cordially invites all LGBTQ+ Faculty, Staff, Post Doc, Graduate/Undergraduate Students & Allies to our kick off LGBTQ+ Mix n’ Mingle. Please join us as we build a more inclusive and welcoming environment for the LGBTQ+ community at UC Merced on Friday, Aug 26th 2016 from 1-3pm in the Elizabeth’s Garden.

Make Your Mark Through UCSA
2:00 PM - 3:00 PM
Alpine Room

Are you interested in student advocacy? Activism? Lobbying? Advocating for student issues? UC Student Association (UCSA) has a place for you, come cool down as you learn more about how you fit in our schools External Office of ASUCM.

Grad & Family Lake BBQ
5:00 PM - 8:00 PM
Lake Yosemite - Rotary Cove I

Come join us at the lake for a delicious bbq meal, bounce house, frisbee, volleyball and fun with your family, friends & fellow grads!

All UC Merced graduate students & their families are invited to attend. Due to limited space, the event is open to the first 250 guests. Each student may bring one adult guest with no limitation on immediate children.

Chilling with the Success Mentor Program (SMP)
6:00 PM - 7:30 PM
Summits Quad

Whether you want to learn more about the Success Mentor Program, have already applied, or have never heard of SMP - stop by to chill with Success Mentors, learn more about the reality of being a Bobcat from your peers, and enjoy some sweet treats. Learn more about the program, apply, and possibly meet your mentor!

Learn S’more with D.Co
7:00 PM - 9:00 PM
Cat Quad

Dance Coalition will use the cat quad for our first event of the year to meet interested members. There will be S’mores, games, and a dance performance put on by us to show new members what we all love to do and teach. Dance!

Neon Bingo
9:00 PM - 11:00 PM
CA Room

Time for Neon Bingo! Come join fellow Bobcats as you play your way to victory to earn some awesome prizes. B-I-N lets G-O!

Saturday, August 27

Navigating the University: A Guide for First-Generation College Students
11:00 AM - 12:00 PM
COB 110

While certainly immersed in an exciting new experience such as college, for some first-generation students college is a brand new world filled with new exciting opportunities and possibilities. However, college may also present some unknown and unforeseen obstacles and challenges not experienced before in high school. Attend this workshop and learn more about the varied services and support available to you at the university. Learn how to better utilize these resources as you navigate your way through the university.
VIP Program — See, Say, Do Something
11:30 AM - 12:30 PM
SAAC 209
Have you ever dreamed about saving the day, stepping in to help others, and solving problems? In times like these we need Bobcats to step in when others are not willing or do not know how to take action. This program will empower participants with the ability to pounce on troubling situations and provide lessons on how you can become a better Bobcat!

Surviving the Natural Sciences
12:00 PM - 1:00 PM
Arch Crescent Room
We propose to hold a meeting/game with the theme of Family Feud. Participants would be split up in teams and asked questions. An example of one of these questions would be “We asked 100 Natural Science majors, what is the best resource to use when you are stuck on a math homework question?” Answers would include: Google/Internet, TA, Professor, Peer. The point of the game will be to give students valuable information and tips on how to be successful in a myriad of lower division natural science classes. Winning teams will be given a prize.

Welcome Black BBQ
12:00 PM - 4:00 PM
Yosemite Lake
Hey Bobcats! We are hosting our annual Welcome Black BBQ at Yosemite Lake. Please join us and get to know all of members and our new executive board. EVERYONE is invited. We will have games, music and FREE food. See you there!

COB 2 170

Calling all PRE-MED students! Wanna know what it is like to be a pre-med student at UC Merced? Let members of Phi Delta Epsilon International Medical Fraternity tell you their experiences as first year students at UC Merced. We will share with you what it really means to be pre-med at UC Merced. In addition, we will share with you specific tips and tricks in making sure your first semester at UC Merced is a successful one as well as steps you could take in preparing for medical school.

Sustainable Bobcats

6:00 PM - 7:00 PM
Alpine Room

During the Welcome Week event, we would begin the session by introducing the EcoReps, explain the program, goals and overall mission of the EcoReps. Following, a presentation on sustainable practices on and off campus will be shared and discussed further with the students. This will allow for dialogue and also remind Bobcats of living sustainably. Also, during the presentation we would mention sustainability related organizations, such as, UCM Recycling, Earth Club, Sustainability Student Council and other related organizations and clubs at UC Merced, to increase awareness of such and promote involvement. Contact will be provided to reference students to correct person. With this we hope to create a sense of participation and commitment to UC Merced 2020 goals. Concluding the presentational and educational portion of the event, there will be 10 minutes for questions.

We will then proceed to play a sustainability game that will be both fun and educational to keep students engaged. The objectives of the entire event are to promote sustainable living amongst students. We hope that they will gain a greater understanding of clubs and organizations that promote a positive change at UC Merced and will be inspired to join and contribute to the school. Along with promoting behavior change in housing areas of UC Merced.

VIP Program — See, Say, Do Something

7:30 PM - 8:30 PM
COB 113

Have you ever dreamed about saving the day, stepping in to help others, and solving problems? In times like these we need Bobcats to step in when others are not willing or do not know how to take action. This program will empower participants with the ability to pounce on troubling situations and provide lessons on how you can become a better Bobcat!

Rufus Wii and Game Night

8:00 PM - 10:00 PM
Bobcat Lair (KL 169)

Come connect with your fellow Bobcats for a night of gaming. Held in the Bobcat Lair KL 169, the games will be projected onto 2 large projection screens. Want to play online games? Bring your friends and laptops and play together using the Library’s Wi-Fi. Not into electronic games? Board games, card games, and coloring books will also be available. UC Merced Freshman!

We, at Target, congratulate you on attending UC Merced! On Tuesday, August 23, we will be having our annual UC Merced Night at our store and we hope you can attend! Come in and win prizes from giveaways, dance along to a DJ, and score great deals on everything you need to start the school year off right! College can be expensive, and here at Target we offer plenty of ways to save. Start saving on your college essentials today by signing up for a RedCard and our Cartwheel App.

By signing up for a Target RedCard, you get:

• An extra 5% savings, every time you shop - groceries, last minute school supplies, and everything in between!
• 5% off all your Target.com purchases and free shipping
• An additional 30 days for returns. lost your receipt? Use your RedCard! We can use your RedCard to look up transactions and issue returns.
• We offer two types of RedCards: a **CREDIT card** for those trying to build their credit and a **DEBIT card**, which connects directly to your bank account. If you would like a Debit RedCard all you need to bring is a blank check and we can have you signed up in less than a minute! Don’t have time to come in the store? Don’t have checks? Sign up online today!

Cartwheel by Target is an app that allows you to save anywhere from 5 to 50% in store on everything you already purchase like groceries and healthcare essentials. Download the app onto your mobile device and check out the offers, or come in and scan the items as you shop! Just show your barcode at checkout and save! **BONUS TIP:** you can stack your 5% RedCard savings on top of your Cartwheel discount!

Back to College Registry! Students need a lot of things for school but, sometimes, letting people know can be a little tricky. Target now offers a free back to school registry which can be created online, in-store or by downloading the Registry app on your smartphone. Create a registry and save! Receive a coupon for 15% off the items remaining on your registry!

Want to beat the back to school crowd? We also offer free store pickup! Place your order online and choose store pickup at checkout, come in with your ID and pick up your items.

Be one of the first 2000 people at the door to receive a special one-use coupon for an additional discount off your entire purchase during the night of the event. We look forward to seeing you this year at our annual Target Back to College Night Event!

We encourage you to take part in this unique experience, which will provide your family the opportunity to explore the University of California, Merced and everything it has to offer.

Additional details will be posted on the Office of Student Life website in late August.

A brochure, which includes programs and details and registration information will also be sent to parents in late August using the student permanent addresses on file with the University.

Register early to guarantee a 20% discount off the registration price. For more information, please contact Enrique Guzman, eguzman@ucmerced.edu
